

Title: Senior Project Manager

Location: Atlanta, GA

Company: ProSolve Consulting Inc.

About the Company: ProSolve Consulting Inc. is a trusted partner for organizations seeking expert project management solutions to achieve their strategic objectives.

Job Description:

We are looking for an experienced and results-driven Senior Project Manager to lead our project management initiatives and drive successful project delivery. As a Senior Project Manager, you will be responsible for overseeing multiple projects, managing project teams, and ensuring alignment with organizational goals and objectives.

Responsibilities:

- Lead the planning, execution, and monitoring of complex projects from initiation to closure.
- Develop comprehensive project plans, budgets, and schedules to ensure project success.
- Manage project scope, resources, and risks to deliver projects within budget and schedule constraints.
- Provide leadership and guidance to project teams, fostering collaboration and accountability.
- Establish and maintain effective communication channels with project stakeholders.
- Monitor project performance and quality, implementing corrective actions as needed.

Requirements:

- Bachelor's or Master's degree in Business Administration, Project Management, or related field.
- Proven track record of successfully managing large-scale projects in diverse industries.
- Strong leadership, decision-making, and problem-solving skills.
- Excellent communication and negotiation abilities.
- Proficiency in project management methodologies and tools.
- Relevant certifications such as PMP or PRINCE2 are preferred.
