

Title: Senior Business Analyst

Location: San Francisco, CA

Company: XYZ Corporation

Job Type: Full-time

Salary: \$90,000 - \$120,000 per year

Job Description:

We are looking for an experienced and strategic-minded Senior Business Analyst to join our dynamic team. As a Senior Business Analyst, you will play a key role in driving business growth and innovation by providing valuable insights and recommendations to senior management. You will lead complex analysis projects, collaborate with cross-functional teams, and contribute to the development and execution of business strategies and initiatives.

Responsibilities:

- Lead the identification and analysis of business opportunities, risks, and challenges.
- Develop and implement analytical frameworks and models to support business decision-making.
- Conduct in-depth analysis of market trends, competitive landscape, and industry benchmarks.
- Translate business requirements into actionable insights and recommendations.
- Partner with stakeholders to define project scope, objectives, and success criteria.
- Drive continuous improvement and optimization of business processes and operations.
- Mentor and coach junior team members, providing guidance and expertise in business analysis methodologies and best practices.

Requirements:

- Bachelor's degree in Business Administration, Economics, Finance, or related field. Master's degree or MBA preferred.
- Proven experience as a Business Analyst, with a track record of delivering strategic insights and driving business results.
- Strong analytical, critical thinking, and problem-solving skills.
- Excellent communication, presentation, and stakeholder management skills.
- Proficiency in data analysis tools and techniques (e.g., SQL, Python, Tableau).
- Experience leading cross-functional teams and managing complex projects.
- Ability to thrive in a fast-paced, dynamic environment and adapt to changing priorities.
